what to do in motovun

This Motovun post needs a critical currency update (Croatia switched to Euro in January 2023, but the post still references kuna throughout), several broken tour/activity links to replace, and verification of venue status since it hasn't been meaningfully updated in 2+ years. The post is well-written and comprehensive but needs pricing modernization and fresh 2025-2026 content additions to maintain its strong position 10.9 ranking.

 Quick reference lists

Best Things to Do in Motovun at a Glance
Add right after the "Things to do in Motovun Croatia" heading, before "Truffle Hunting Tour" section:

Go truffle hunting with trained dogs, walk the medieval town walls (25kn entry), sample truffle paste, wine, olive oil, and rakija in tasting shops, eat truffle-rich meals at Fakin Restaurant or Pod Voltom, visit during Motovun Film Festival (late July/early August), drive to viewpoints in surrounding vineyards for epic photos.

Introduction
